The Honorable Mayor Ron Nirenberg once again lends his support to UNCF's efforts to help under-resourced students from the San Antonio community by serving as the keynote speaker of the **14TH ANNUAL UNCF SAN ANTONIO MAYOR'S LUNCHEON**. 2024 Honorees include: NuStar Energy (Corporate Flame) and Darryl Byrd (Excellence in Education). Last year's event broke fundraising and attendance records by attracting nearly 300 attendees who helped raise \$177,000 in support of Historically Black Colleges and Universities (HBCUs) and education for BIPOC (Black and Indigenous People of Color) students. Thank you to all who made that possible!

This annual luncheon continues to attract local businesses, organizations, civic, and education leaders who believe in investing in the future of today's youth wishing to obtain a college degree. UNCF's schools and other HBCUs represent just three percent of the nation's institutions of higher learning; however, they **graduate nearly 20 percent** of all African Americans with bachelor's degrees. Most notably, while 70 percent of the students that UNCF supports require some form of financial aid, supporters of this luncheon ensure that more students from San Antonio can cover the mounting costs of a college education.

In fact, last academic year, 2022-2023, UNCF provided \$6,331,689 in scholarship funds for Texans enrolled in the schools of their choosing such as: Huston-Tillotson University, University of Texas San Antonio, Texas A&M University, Jarvis Christian University, John Hopkins University, Texas Southern University, and University of Houston. **In addition, 989 Texans received college scholarships averaging \$5,325 and of that number, 63 scholarships were awarded to San Antonians totaling \$348,088 – which is 86% more than what the previous luncheon grossed!**

Will you commit to supporting the Mayor, San Antonio students, and UNCF by lending your name as a sponsor of the 2024 luncheon? Your gift will be combined with those of other contributors to directly benefit local college students deserving of a chance to accomplish their dreams.

THANK YOU FOR YOUR STRONG CONSIDERATION!
